Dear Jeanne:

**Re: Tariff filing for Expedited Installation Rates for Business Data Services**

The Telecommunications Commission, in accordance with Section 23 (4) of the Telecommunications Act 1986 as amended ("Act") has chosen not to inquire into the above noted tariff filing.

Accordingly, the Commission herein directs, pursuant to section 24 (1)(h) of the Act, the approval of this value added feature as detailed in your filing dated 17<sup>th</sup> November, 2009, provided that: BTC must disclose to the customer requesting the expedited service, prior to any agreement for installation of the service, that the normal installation period for Business Data Services installation is five working days.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Ronald Simmons', with a long horizontal flourish extending to the right.
